astria FIREPLACES
 Keep the Astria® brand top of mind and at the top of your tablet's screen for easy access! This premium screen cleaning wipe adheres to the face of your tablet or the back of your mobile phone for easy access to clean the face of your screen quickly and conveniently.

DigiClean® Premium Screen Cleaners
 Stick to your mobile phone, tablet, or case, even if you're not at work!

How To Use:
 Use the back side facing down, or the surface of your screen to remove dirt and smudges.

How to Wash:
 To remove, simply wash with soap & warm water, then air-dry & post-sulfur!

Notes:
 Do not allow screen cleaners to come into contact with your screen or face plastics that could be damaged.

Important: This is a non-toxic product and is safe for use on all mobile devices.
